WE IMPROVE YOUR LIFE

Flexible functionality and valuable accessories for treatment chairs

Imagine if your treatment chair could provide patients with a more convenient and secure treatment while saving nurses' time and resources as well as secure a fast response in case of emergencies. With an electric actuator solution matched with the OpenBus™ technology from LINAK, there are several ways to **increase the value of treatment chairs.**

How LINAK provides value for patients:

- Increased comfort with multiple positioning
- Provide reading light
- Charge cell phones or iPods for a more comfortable treatment time
- Built-in scale to weigh the patient in the chair

How LINAK provide value for nursing staff:

- Simultaneous drive to enable quick adjustment of the chair
- Quick release actuator function to ensure fast response in case of emergency
- OpenBus accessory gives notice of accidental spillage of liquids
